

Deployed Assignment 2 Website URL

http://ice.truman.edu/~YOUR_USERNAME/assignment2/

Test Case 1 - Clearly Invalid Input

CS 315 • ASSIGNMENT 2

Student Activity Profile

Complete the form to create a short academic and professional profile.

Name

Please enter your name.

Email

Enter an email with @ and a domain.

Age

Age must be between 18 and 99.

Major / Academic Area

Choose an area

Choose your academic area.

Expected Graduation Year

Use a year from 2026 through 2032.

Activity / Interest / Project Area

Choose an interest

Choose an interest area.

Years of Programming Experience

Use a number from 0 through 40.

Short Introduction

Too short

Write at least 20 characters.

Preview Profile

Clear

Please correct the highlighted fields before previewing your profile.

The form rejects an empty name, incomplete email, unreasonable age, invalid graduation year, missing selections, excessive experience, and a short introduction. Each invalid field is outlined and explained in red.

Test Case 2 - Partially Valid Input

CS 315 • ASSIGNMENT 2

Student Activity Profile

Complete the form to create a short academic and professional profile.

Name

Alex Morgan

Looks good.

Email

alex@example.com

Looks good.

Major / Academic Area

Computer Science

Selected.

Activity / Interest / Project Area

Choose an interest

Choose an interest area.

Age

21

Looks good.

Expected Graduation Year

2028

Looks good.

Years of Programming Experience

2

Looks good.

Short Introduction

I enjoy building useful web applications.

Looks good.

Preview Profile

Clear

Please correct the highlighted fields before previewing your profile.

Most fields pass validation, but the missing interest selection remains highlighted as an error. This demonstrates that valid and invalid field states can appear together.

Test Case 3 - All Required Input Valid
